DETAILED ACTION

Information Disclosure Statement

1. Acknowledgement is made of the Information Disclosure Statement filed December 16, 2005, which has been made record of and placed in the file.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: The references cited have failed to teach and to make obvious a thermal airflow meter comprising the first temperature sensor is provided on the substrate of the flow-rate measuring element, and the second temperature sensor is provided inside the casing; the second base member is housed in a casing which is inserted into the air passage through the wall of the air passage, while the first base member is held at one extremity of the casing; a first temperature sensor and a second temperature sensor for measuring temperature at each of two points in the thermal airflow meter, respectively, provided on the first and second base members, a casing installed at the wall of the intake air passage so as to be disposed in the intake air passage and holding the first base member at one extremity thereof while housing the second base member therein; a second temperature sensor disposed on the second base member for measuring temperature thereon.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jewel V. Thompson whose telephone number is 571-272-2189. The examiner can normally be reached on 7-4:30, telework on Wednesday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Edward Lefkowitz can be reached on 571-272-2180. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
